SKILLS

I am naturally curious and have a love for learning. I have always tinkered, built, and tried to figure out how things work. I am planning on majoring in Computer Science at BYU. I am comfortable with Mac OS X, Windows, IOS, and Android. When I was a senior in high school, I built a Raspberry PI and enjoyed learning how to use Kali and Ubuntu Linux. I acquired increased communication skills while serving a mission in Hong Kong and Colorado. I speak English and Cantonese fluently.

EXPERIENCE

Seven Brothers, Laie, Hawaii - *Grill Cook, Builder, Fryer, and Prep Cook*

Aug 2019 - Sept 2020

- Thrived in a fast paced, high pressure work environment that required verbal communication skills and quick reactions.
- Quickly moved from prep cook, to fryer, to grill cook/builder which increased in responsibilities and coordination with co-workers.
- Trained new workers in how to effectively manage tasks and time to keep up with demand.

SERVICE

The Church of Jesus Christ of Latter-Day Saints, Hong Kong, China - *Volunteer Representative*

Sept 2020- Sept 2022

- Held various leadership positions where I led and motivated the efforts of 16 number of volunteer representatives.
- As a leader, I had to identify problems and solutions to assist to become more effective in the work.
- Learned quickly how to adapt to new environments and situations.

EDUCATION

Kahuku High and Intermediate School, Kahuku, Hawaii - *Valedictorian*

Graduated May 2020

- Participated in varsity sports - Cross country, soccer, wrestling, tennis, and track and field.
